Thank you all so much for turning out Sunday.  
Good crowd, great speakers and excellent

You are becoming informed! We look forward to you and your congregation  
becoming active! You will make a difference!

Shelter Census on November 4, 2015: 629 families with 1247 children in shelter and transitional housing + 1182 individuals in low barrier shelters.

We will be in touch...

with you and your congregation on the important issues that face the community on [shelter](#), [homelessness](#) and [affordable housing](#). It is critical that the voice of your congregation in support of the poor and marginalized be heard as [Homeward DC](#), the District's plan to end homelessness, is implemented.

"We can find no social or moral justification, no justification whatsoever, for lack of housing." Pope Francis at St. Patrick's Church, Washington DC. September 2015

And we continue to pray.....

Let not the needy, O Lord, be forgotten. Nor the hope of the poor be taken away.
